### **ADMINISTRATIVE HEARINGS**

1. **Melita Ristovska** – Denied AR Application

Cause No. 2017 BRALA 0001

**Board made a Motion that the Denial Stands – DW/LS 6/0/0**

1. **IPAL/AXP/CE – IPAL/AXP**– integrated path to architectural licensure which allow students to all three simultaneously instead of layering them. There are 21 universities that offer the IPAL programs. Statutes don't allow for IPAL within the

state since examination currently can only be taken after graduation. Concerns that Indiana is being left behind and that it's not necessarily a destination area. IPAL would open options for schools and bring in new, fresh talent in an expedited way. Hal handed out a hand out regarding the desired changes needed to update 804 IAC 1.1-7-7, 804 IAC 1.1-7-9, 804 IAC 1.1-7-11, 804 IAC 1.1-7-12, and 804 IAC 1.1-7-18. The board wishes these changes to be made of which Donna Sembroski and Amy Hall will work on to provide to the board in January. CE – there was an interest to add ethics to their requirements. Motion to start rule changes for architects/landscape architects. DW/DS 6/0/0

**2. NCARB – Boston – Annual Meeting Report**

No resolutions to vote on.

**3. CLARB – Boise – Annual Meeting Report**

Reducing friction and barriers, changing in model law and model regulation. Indiana Board voted no to the unification and reducing barriers.

**4. AIAS – Freedom by Design**

Todd spoke about Freedom of Design and how design can solve issues with the community. Students can get involved with designs of housing and learn while helping the community. Great community service project. It can be added to their credit experience under AXP.

**5. Tri-National MRA**

**6. Promoting Positive – Todd Scoggins**

How can the board become more a positive force in the community? Could design professionals nominate and recognize a person, firm for encouraging health, safety and welfare. Acknowledge positives, recognize mentors donating their hours for architects/landscape architects and their involvement in the community. Maybe a newsletter sent out twice a year. Will ask Julia, assistant communications director, come in to discuss newsletter in January.

**7. NCARB Educator Symposium**

Educator Symposium will be held in October at Kent State.

**8. 2018 Meeting Dates** – September is subject to change due to CLARB Meeting – Meeting for November has been canceled so the next scheduled meeting will be January 2018.
